[illegible]

This image shows a vertical strip, likely a page from a book or a document. The left side is a light, speckled gray, while the right side is a dark, textured black. A vertical line of white, irregular marks runs down the center, suggesting a binding or a fold. The overall appearance is that of a scan of a physical document.

This image is a vertical strip, likely a scan of a document page, that is severely degraded. It features a dark, textured background with a prominent, lighter, vertical band of noise and artifacts running down the center. The overall appearance is that of a corrupted or heavily damaged scan, with no legible text or identifiable figures visible.

This is a high-contrast, black and white image, possibly a scan of a book cover or a piece of wood. The image is characterized by a vertical, textured surface with numerous fine, parallel lines running from top to bottom. On the right side, there is a dark, irregular shape that appears to be a shadow or a piece of tape. The overall image is very grainy and has a high level of contrast, with the left side being mostly white and the right side being mostly black.
